

Quarter 1 project part 2

Due Friday September 7

1. Log in to newsela.
2. Select an article you would like to summarize for the project. Remember it must involve increasing or decreasing behavior.
3. Create a Google Drive document for your project:
 - a. View [video](#) and follow instructions:
 - b. Click the grid of squares in the top right to go to google apps and click drive.
 - c. Click “New” in the top left corner and then click Google docs
 - d. Click *Untitled Document* in the top left and name your document with this format:
 - i. Quarter 1 Project – *Lastname, Firstname*
 - ii. Fill in your own last and first names in those places.
 - iii. Press Enter
 - e. Click “Share” in the top right corner.
 - f. Under “People” start typing my email, ramseyc@oxfordprep.org and select my name when it comes up.
 - g. Click the pencil to the right of the text box and select “can comment”.
 - h. Click “Send”.
4. Write a first draft of your summary. Include:
 - a. A link to the article.
 - b. A general, 1 paragraph summary of the article.
 - c. A 1-2 paragraph discussion of:
 - i. What the x and y would be, if the increasing or decreasing thing was graphed. (Independent and Dependent Variables)
 - ii. The domain and range that are used
 - iii. How and why it is increasing or decreasing.
